<sup>1</sup> If the utility of one good is less than the other, it is chosen at a smaller quantity.

<sup>18</sup> See, for example, the discussion in *How to Write a History* (London, 1975), pp. 122-3.

<sup>2</sup> See also the discussion of the relationship between the two concepts in the introduction.

<sup>1</sup> It is important to emphasize that the term "internationalization" is used here in its narrow sense.

It is important to note that the number of nodes in the appropriate layer is determined by the size of the input layer.
